

Solvent Cleaner Spray

Fast drying formula ideal for cleaning of metal parts

Description

Solvent Cleaner Spray is a degreasing solvent with very fast evaporation properties.

Properties

Solvent Cleaner Spray is free of chlorine, fluorine and aromatic compounds such as benzene, toluene, xylene or styrene.

Solvent Cleaner Spray is an excellent solvent for fats and oils and leaves no residue after evaporation.

Solvent Cleaner Spray allows for precise application in hard to reach areas.

Applications

Solvent Cleaner Spray is particularly recommended for cleaning and degreasing metal and most plastics before surface treatment, painting or gluing.

Solvent Cleaner Spray is also a good solvent for adhesives and an excellent cleaner for brake pads and discs.

Solvent Cleaner Spray can be used for cleaning of electrical equipment. Solvent Cleaner Spray has a high evaporation rate to quickly remove flammable vapours.
